Reindeer Hide – Quality High

Duration: 1/2013 - 12/2014

Grant amount: EUR 387 520

Commission

PRIORITY 1 - Project example (2)

Objective of the project: to improve methods and know-how in raw reindeer hide processing among reindeer owners and slaughterhouses in North-West Russia. Until today, a big part of reindeer skins go to waste because of a lack of knowledge in processing them and in sales channels. The project includes training and micro investments in reindeer hide processing equipment.
