European  
Commission

# SYNERGIES AND CLUSTERING BETWEEN MARITIME PROJECTS

NEW IDEAS FOR A SUSTAINABLE BLUE ECONOMY

## What are we looking at ?

European  
Commission

# The blue economy portfolio

**90 million €**  
**96 projects**  
**2015-2020**

**Blue technology Blue economy**  
**Blue investment**  
**48 projects - 63M€**

**Blue Careers**  
**15 projects – 9,4 M€**

**Sustainable tourism**  
**8 projects – 1,7M€**

**Ocean health and monitoring**  
**8 projects – 5,3M€**

**Blue Labs: from research to business**  
**11 projects - 7M€**

**Regional cooperation**  
**Mediterranean**  
**6 projects – 3,8 M€**

# What does an EMFF project look like?

- **Blue careers**

- **Blue labs**

- **Blue Economy window**

**What?** Skills gaps in the maritime economy

**Consortia:** Education & Industry

**EU contribution:** 500-700K€

2016 and 2018

**What?** From the lab to the market

**Consortia:** Research & SMEs

**EU contribution:** 300-900K€

2016 and 2018

**What?** Funding innovative SMEs: innovation and investment readiness

**SMEs only**

**EU contribution:** 900K to 2,5M€

2019 and 2020

# About the workshop

## SYNERGIES AND CLUSTERING BETWEEN MARITIME PROJECTS

NEW IDEAS FOR A SUSTAINABLE BLUE ECONOMY

- European Maritime and Fisheries Fund (EMFF)
- Several dimensions: **evaluation, clustering and networking activities** of about **96** « bottom-up » projects
- Trigger discussion on coherence/added value/positioning of EMFF within the EU funding landscape
- Exchange views on what integration, scaling up and cooperation with other EU funding instruments means. How to improve synergies?
- EMFF beneficiaries, other EU programmes beneficiaries, representatives from EU funding programmes: LIFE, Horizon Europe, INTERREG etc.

# Thank you
