EU Strategy for the Danube region and BSB

added value of the macro regional approach for the Danube and BSB regions:

- ❑ Better coordination of policies and financial instruments
- ❑ Higher opportunities/potential to solve common problems for both regions
(interconnection/interaction/interdependence between Danube and BSB)
- ❑ Common development (transport links, economic boost, energy, jobs, security, safety, regional identity etc)

Common borders. Common Solutions.

BSB and the future

- ❑ Need to be linked with the EUSDR
- ❑ Transnational cooperation to be used for better programming of ACPs, mainstream programmes and BSB ENPI CBC programme
- ❑ BSB ENPI CBC programme reinforced by an improved legal framework and programming of resources
- ❑ Macro-regional approach in BSB could be the key for major investments and better use of financial resources, and an answer to Black Sea Synergy
